THE

THREE CHIMNEYS

SMOKEHOUSE & GRILL

Welcome to Three Chimneys — where our rustic smokehouse gets delightfully cheeky with flavour!

Ever noticed that slow-cooked barbecue sometimes sports a pink—or even purple—ring around the meat? That's the famed "smoke ring," a badge of honour that proves our low-and-slow magic is at work. Beef shows off a deep purple glow, while pork, chicken, and turkey dazzle in vibrant pink. It's not just a pretty sight; it's a testament to the perfect balance of time, smoke, and craft.

CHICKEN WING CORNER

Our wings are slow-smoked to perfection over apple and beech wood, a duo that delivers a medium, slightly sweet symphony of flavour. After their smokey serenade, they're fried until irresistibly crisp and then tossed in the sauce and coating of your choice. Enjoy this cluckin' masterpiece!

Choose your kick: our coatings lineup includes BBQ Sauce, fiery Hot Sauce, and Adult Ketchup—warning: it's hotter than hot! Feeling daring? Spin the flavour roulette and dive into a random mix of coatings that's perfect for sharing (if you can handle the heat!).
